Press Release July 31, 2013

WHO: Central California Society for the Prevention of Cruelty to Animals

WHAT: Adoption of Animals Seized in Squaw Valley

WHEN: Animals seized on June 19, 2013

WHERE: CCSPCA 103 S. Hughes Ave., Fresno CA 93706

WHY: The CCSPCA is pleased to announce that several of the Squaw Valley Investigation Animals are now ready for Adoption*! We have dozens of cockatiels, doves, and some chickens, as well as 2 cats and a lovely Queensland Heeler blend, all ready to start their NEW LIFE! ...perhaps with you?

*Adoptions shall be at the discretion of the CCSPCA and will be conducted via an application process. Applications are available at the CCSPCA Adoption Center and on our website at CCSPCA.com. Applicants will be notified by the CCSPCA if they have been chosen as an adopter.

UPDATE: Currently, we have several remaining investigation animals that are still undergoing medical and/or behavioral resocialization/modification. Unfortunately, we do not know how long their recovery will take as this is based on their individual progress. Because this is an ongoing investigation, there are details we are not at liberty to discuss. Information will be provided via our CCSPCA website and Facebook page as this information becomes available.
